

NITHIYA SREE R

Computer Science & Engineering Student | Aspiring Software Developer

nithiyasree1409@gmail.com | linkedin.com/in/nithiyasree-r-a75b233a3

OBJECTIVE

To build a strong career in software development by continuously improving my programming, problem-solving, and technical skills while developing practical solutions with real-world impact.

EDUCATION

Government College of Technology, Coimbatore — B.E. Computer Science & Engineering | 2025–2029

Academic Performance: Semester 1 GPA — 9.46 | Semester 2 GPA — 9.78

Aditya's Vivekananda Matriculation Higher Secondary School — HSC | 587/600 | 97.83%

Seventh Day Adventist Matriculation School — Secondary Education (SSLC) | 485/500 | 97%

TECHNICAL SKILLS

Programming Languages: C, Java, Python, R

Application Development: MIT App Inventor

Computer Science: Data Structures & Algorithms, Object-Oriented Programming

SOFT SKILLS

Communication | Time Management | Problem Solving | Teamwork | Adaptability

PROJECTS

- Solar Powered Wireless Charging Road for EV
ECE project exploring solar energy and wireless power transfer for EV charging.
- Camera-Free Intelligent Human Activity Detection Using Ultrasonic Sensing
ECE + CSE project exploring camera-free activity detection using ultrasonic sensing.
- Hangman Game
C-based interactive word-guessing game.
- Tic-Tac-Toe Mobile Application
Interactive mobile game developed using MIT App Inventor.

ACHIEVEMENT & CERTIFICATION

3rd Prize — Science Exhibition, National Science Day Event

Secured Third Place for Solar Powered Wireless Charging Road for EV at the Science Exhibition conducted by the Science Club, Government College of Technology, Coimbatore, on 13.03.2026. Certificate of Merit issued by Government College of Technology, Coimbatore.

INTEREST

Fashion Designing — Passionate about creative design, colours, patterns, and fashion ideas.
